## Policy on Admission, Review, and Retention

The University of Kansas | School of Architecture, Design, and Planning | Department of Design

### Admission to the Department of Design:

Before a student begins any degree-seeking program in the Department of Design they must first apply and be admitted to the department. Admission is based on an incoming portfolio review, written essays, and high school and/or college transcripts. The deadline for Fall admission is **February 1st**. The deadline for Spring admission is **October 1st**. For additional information on the application process please visit the Student Services Office in Marvin Hall, room 205.

### First-Year Studies:

Newly admitted students enroll in BDS 101 (Design Thinking and Making I) and BDS 103 (Drawing for Design) for the Fall semester and in BDS 102 (Design Thinking and Making II) and PHMD 101 (Fundamentals of Photography) for the Spring semester. Students must earn a "C" (2.0) or greater in BDS 101, 102, 103 and a "C" (2.0) or greater in PHMD 101 to advance forward in the program.

### First-Year Checkpoint / Entrance to Second-Year:

Beyond first-year studies there is a maximum of 20 seats available for degree-seeking Photo Media majors each year. There are typically two students vying for every one available position. In order to arrive at an impartial means of entry, all first year students declaring Photo Media as their major are ranked according to their cumulative GPA. The first 18 students on the list are allowed first opportunity to enroll in PHMD 201 (Photography I), the first of the two-part second-year foundational sequence. Enrollment for PHMD 201 is done ONLY during the Spring Advising & Enrollment period (for the following Fall term) and entry into the course is based solely on cumulative GPA standings. In order to qualify, students must have successfully completed BDS 101 and 103 (or their equivalents) and be enrolled in (or have completed) BDS 102 and PHMD 101 (or their equivalent) at the time of Spring Advising and Enrollment.

### Transfer Students:

In order to accommodate transfer students, two (2) of the 20 seats for PHMD 201 will be reserved. Transfer students must be declared and admitted for the Fall semester no later than **March 1st**. Only the top two transfer students will be considered and placed according to their ranking on a descending cumulative GPA list. If the transfer student seats are not filled, those seats will be offered to the next first-year students in line.

### Second-Year Fall Semester Checkpoint:

Students must earn a "C" (2.0) or greater in PHMD 201 (Photography I) and PHMD 202 (Photography II) to advance forward in the program. A grade of "C-" (1.7) or below in either PHMD 201 or PHMD 202 automatically eliminates the student from advancing forward in the major. They do not have the option of repeating either course and must transfer to another major.

### Second-Year Spring Semester Full Review:

After successful completion of the second-year studies (PHMD 201 and PHMD 202), students must participate in and pass a one-time Second-Year Review. The primary component of the review is the submission of a photographic portfolio (10-15 images) of work made over the course of the previous year. Each portfolio is evaluated by a faculty committee upon the following criteria: originality, treatment of form and composition, engagement with subject matter and medium, quality of ideas, technical ability, and craftsmanship. In addition to their portfolio, students are also evaluated on attendance, work habits, professionalism, participation, and GPA.

Students who pass the review are allowed to advance to the upper-level coursework and through the degree program so long as they remain in good academic standing – students must earn a "C" (2.0) or greater in all subsequent Major Studies courses (PHMD) and maintain a cumulative GPA of 2.0. Those who do not pass the review must transfer to another major.
